

# Be Penguin Aware

Little Penguins - Big Future

## 6.0 ADDITIONAL RESOURCES

You can use the following promotional materials to help you to educate others in the Manly community about the Little Penguins, in a fun and interesting way. You can use them as prizes for 'Penguin Aware' activities, display a banner in a local club or business, or present a 'Penguin Aware' video to a school group.

### 5.1 List of materials available

Below is a list of 'Penguin aware' promotional material available to you throughout the 'Penguin Aware' program:

- **Canvas banners**  
The banners provide a summary about the threats to the Little Penguins and highlight actions to take to be 'Penguin Aware'. They are full colour, easily transported and will create a colourful and informative display at a school, club or business.
- **Water bottles**  
Sporty, 750mL water bottles. They make great prizes for events at a sporting club or school.
- **Stickers**  
Full colour stickers, great for school projects, or to display on a fishing tackle box. Also would be good to use for prizes.
- **Lunch bags**  
These are printed with the 'Penguin Aware' logo and can be given to a school canteen as part of a 'Penguin Aware' day. They can also be used at sporting events or at local cafes.
- **A3 Posters**  
Full colour summaries of how to be 'Penguin Aware'. They can be colour photocopies to distribute to schools, or used in a display. Use the fact sheets with this summary poster to provide more in-depth information about specific threats or issues.

This project has been funded by Manly Council's Environmental Levy.  
This project has been funded by Coastcare - a cooperative Commonwealth/State/Local Government program supporting communities caring for our coast.
